

O.C.Kanzow & Company - O20

Millard J. Driscoll (LM71)

The illustration shows a 2 cent red Washington head stamp punched with the letters "OCK". The return address is given as: O.C. Kanzow & Co, 11

Broadway, New York. The initials "OCK" perfectly match the company's name and this May 15, 1918 cover will fill in the missing identification for perfin pattern O20 in *The Catalog of United States Perfins*, by Joseph and Dorothy Balough. A full size photocopy has been forwarded to

John Randall, the US Catalog Editor. This cover is from the Buckler estate and is merely an example of the covers that the sales division has on hand to fill your cover needs. If you are interested in acquiring some covers, drop me a note at 301 Driver Ave., Summerville, SC 29483-2971.
